RE: BRATHWAITE V. CORR. MED. SERVICES

DEAR MR. DRNEC,

I received the copy of the confidentiality agreement that you requested me to sign. Before I consider signing this agreement I need to be clear on the items that you presented to the court. It is my understanding that you and your clients are claiming that I do not have the constitutional right to receive a root canal or fillings in my teeth, even though my appeal to receive a root canal and fillings was approved by the outside grievance committee.

AND two years ago your clients wrote me letters telling me that I would receive the treatment. IF this is your position regarding this matter please let me know. The teeth that I need fillings for are only getting worse. AND I need treatment AS SOON AS possible. So AT this time I need to know if your clients are prepared to resolve this matter AND give me the treatment that I AM clearly entitled to.

I AM Awaiting your reply to this very serious matter.

THANK YOU
